6	6	✔	295 sqm	1290 sqm	✖	2023

This modern 6-bedroom villa with a build area of 295m2 is nestled on a 1290m2 plot located only 200m from the ocean offering the most amazing sea views, as well as the Albufeira marina and the countryside views towards the North. The day-to-day amenities such as restaurants or coffee shops are close by, and Faro Airport can be reached within a 40-minute drive. This villa is built over three floors. The ground floor comprises three en-suite bedrooms, and a modern open plan fully fitted kitchen, living and dining room, which offers direct access to the outside areas. On the first floor there are two further en-suite bedrooms, and an additional office space leading out to a very large terrace with a jacuzzi, where one can sit back and relax the breath-taking views. All bedrooms enjoy sea views, but another great feature of this amazing property is the rooftop terrace with 360 degrees views of the sea, beach, marina, cliffs and mountains. In the basement one can find a wine cellar and storage areas. Outside features include a large infinity pool, terraces, a lovely garden, a BBQ area, as wel...
