Detailed description

A small 32m2 semi detached old house on a 168 plot of land in a stunning enviable location next to the beautiful beach at Praia do Canal in the Costa Vincentina Natural Park.

The property is attached to another small old house of the same size and in the same condition - in need of complete renovation ; it has two rooms, a hallway and kitchen. There is also a small ruin for animals or tools, which again needs complete renovation.

Access is a dirt road, 4WD is recommended. No mains water or electricity. The beach is popular with surfers and hikers, but out of season it is a place of complete tranquility.

A stunning location, a once in a lifetime opportunity.
