The plot is west-facing in an ideal frontline position. This gives you a marvellous view of the natural surroundings. There is a bakery and various restaurants within walking distance of the property. Perfect opportunity for investment. As soon as the building moratorium in Vale da Telha is lifted and construction allowed the value will go up substantially. About Vale da Telha: Located between the beaches of Arrifana and Monte Clerigo, with a significant historical ‘point’ , Atalia, where there are incredible views of this stunning coastline. The urbanisation has been in development for over 30 years resulting in a wide variety of styles and ages of houses. Currently it is not permitted to build even though there are many vacant plots. The amenities are two small supermarkets, a bakery, several restaurants and cafes, many surf schools/ lodges.
