Land in UDF de São João das Lampas e Terrugem

Rural sloping plot with an area of 4,692 square meters in Alvarinhos - Carvalhal - Sintra, next to the municipal road, enjoys good access and a peaceful location in a rural area amidst farms.

This land has been uncultivated for about 14 years, which is an advantage for any type of agricultural cultivation, including organic farming.

The land has excellent conditions for agriculture and workshops, benefiting from both easy access and unobstructed views.

We handle your credit process with no bureaucracy, offering the best solutions for each client.

We are registered credit intermediaries with the Bank of Portugal under number 7165.

We assist with the entire process before and after the deed.

Dear customer, don't miss this business opportunity!
