Detailed description

We are delighted to bring to market this immaculate and spacious two bedroom, two bathroom first floor apartment on the luxurious Baia da Luz resort. The location is fantastic being within a two minute walk to the beach, bars and restaurants in Praia da Luz and a short drive to Lagos centre.
As you approach from the beautifully maintained tropical gardens you can use lift or stairs to access the apartment. A private parking space and storage room are also provided below.
The entrance hall has secure entry and built in storage leading to a good sized family bathroom with bath, shower and toilet.
Off to the right you have a generous double bedroom with patio doors onto the terrace.
The master bedroom has a modern en suite bathroom and patio doors leading to a private terrace. Both bedrooms have air conditioning and solid wood fitted wardrobes.
There is underfloor heating fitted through out and a central vacuum system for your convenience.
A large, bright and sunny open plan living and dining room with sliding doors leads onto a generous terrace for seating or outdoor dining. This overlooks the beautifully maintained tropical gardens towards the ocean.
The kitchen is fully fitted and modern with stainless steel Siemens appliances and allows plenty of space for catering and a breakfast table for informal dining. Patio doors lead out to the terrace which overlooks the gorgeous, manicured gardens. There is a separate pantry room with washing machine and more storage are on...
