Land Não definido in UDF de São João das Lampas e Terrugem

Rustic and flat land with an area of 2,720 square meters in Odrinhas - Sintra, next to the municipal road, enjoys good access and a peaceful location in a residential and farm area, with sea views.

This land has been uncultivated for about 14 years, which is an advantage for any type of agricultural cultivation, including organic farming.

The land has excellent conditions for agrotourism, with the possibility of placing wooden houses or yurts, benefiting both access and unobstructed views.

We handle your credit process with no bureaucracy, offering the best solutions for each client.

We are registered credit intermediaries with the Bank of Portugal under number 7165.

We assist with the entire process before and after the deed.

Dear customer, don't miss this business opportunity! This could be your moment!
