We are specialists, in Real Estate we make the difference in personalized customer service, helping the customer to find their property of choiceâ€¦ and everything that involves the processâ€¦. Dreams come true!
Total financial, legal follow-up throughout the process;
Financial monitoring because we are also credit intermediaries, so if you need financing you have this banking service free of charge, as well as clarification of all taxes to be paid;
Legal follow-up so that your purchase can be carried out with all legal certainty, without unexpected challenges, accompanying customers to the deed, clarifying all doubts and issues throughout the process;
Because we are experts in selling/buying, we can help;

DS PRIVATE BASES ITS ACTIVITY ON HUMAN AND SOCIAL PRINCIPLES THAT DISTINGUISH US IN THE REAL ESTATE SECTOR:
- Integrity – doing the right thing every time;
- Customers – they always come first;
- Commitment - in everything;
- Communication - transparent and reliable;
- Creativity - ideas and solutions suited to each business;
- Teamwork - together we achieve more;
- Have confidence – start with honesty;
- Success - results as people;
