7 URBAN PLOTS TO BUILD A VILLA IN A LUXURY CLIFF-TOP RESORT

Canavial

Detailed description

Set within a luxurious clifftop complex near the famous Ponta da Piedade and the natural and spectacular Praia do Canavial beach cove, these 7 plots of land allow you to build a 3 bed detached villa consisting of 2 floors plus basement, with a construction area of up to 200 m2 and a very generous total plot area, perfect for building your dream home with a comfortable outdoor leisure area. Each villa can include a swimming pool.

Although these plots are within the luxury Cascade Wellness Resort complex, they are free of the costs and expenses inherent in a condominium property, making them more attractive.

With varying plot sizes, ranging from 1101 m2 to 1764 m2 and prices from 600 000.00 euros to 700 000.00 euros, this is a unique opportunity to buy a plot for the construction of a 3-bedroom villa with 2 floors and a basement, with a construction area of up to 200 m2, in a privileged location on top of one of the most beautiful cliffs and close to 2 iconic points of the city of Lagos, which are Ponta da Piedade and Praia de Porto de Mós.
