One Bedroom in INFANTE RESIDENCES, Estrela I Lisbon

Flat with one bedroom en suite, open-plan living/dining room and kitchen, one parking space.

Just a few minutes from the riverside area, with river views and quality interiors, a new building is being built that offers city retreats in a prime location.

The Infante Residences, located on Avenida Infante Santo, with 45 flats, is the result of a rigorous refurbishment project that offers the ideal property for everyday city life.

Close to green areas that are perfect for long walks, bike rides and even boat trips.

With a modern design and high quality finishes, they are spread over nine floors, with areas ranging from 47m2 to 131m2. All the flats have air conditioning, fitted kitchens and bathrooms and double-glazed windows.

There is also a rooftop with an outdoor swimming pool and support area, allowing residents to enjoy an "exclusive and refined space" for moments of leisure and relaxation.

The ground floor flats also have private terraces and all the flats have a car park.
