Land - 2398 sqm - Arco da Calheta

Excellent rustic land in Arco da Calheta with 2398 m2 located by the road and in a quiet and safe area. Possibility of construction after the transition from rustic to urban land. You can build a house and make the space an excellent farm for residence or tourism. The terrain has very little unevenness which makes it easier to plan if necessary. The land can also remain rustic and enjoy the fruit trees already planted and all its surroundings. It is located at a height of 500 m. Mark your visit!
