A village within the village of Porto Covo, consisting of a set of tourist apartments inserted in a private condominium. This set of apartments was designed to fit perfectly into the context of this Alentejo village - with low volume, white walls and large glass planes that incorporate the private gardens, common to the houses. The interiors favor wood, materials and natural elements, typical of the beach experience on the Alentejo coast. Located in Porto Covo, 400 meters from the beach. There are 174 apartments with a private pool. ** This unit will be sold in fractional system in which the accommodation unit will have 4 owners with the right to use the unit for 15 days every 2 months. In this system, the accommodation unit is delivered furnished and decorated by the Promising Seller, according to the model apartment to be defined.
