Estoril welcomes all those who seek the perfect elemental harmony between nature and the ocean. Destination of choice is the ideal place for those who appreciate an elegant quality of life.

Get to know Cascais, a surprising destination to live in with an atmosphere of glamour and full nature. Come for one reason. Stay for many!

Cascais, on the Atlantic coast, 30 minutes from Lisbon and the international airport, is one of the most cosmopolitan and touristic places in Portugal. The mild climate, and an average of 260 days without rain per year, were certainly strong reasons for the wealthy families of the 19th century to follow the Portuguese royal family and build their villas and palaces there. Whoever comes to Cascais looking for a relaxing oasis has come to the right place. From beaches to the Sintra Cascais Natural Park, from swimming pools to walks, the word stress does not enter the town. Cascais is an excellent area for children, including several international schools. It has nature, it has the sea, it has a centre that can easily be explored on foot, by bicycle or any other means of transport that is more fun for children and adults - a segway or roller skating, for example - and it has a series of other programmes that will delight people of all ages: 8 golf courses, horse riding, surfing, windsurfing, tennis, paddle tennis, cycling, walks along the beaches or through the Natural Park.
