Villa to be renovated T2 in Santo António

2-bedroom house of 66 m2 to restore with a 624 m2 land located in Santo António, Funchal.

Just a 5-minute walk from all essential services and the fantastic Avenida das Madalenas. There are various building options, whether for investment or for your own family home. It also contains an attached 2-bedroom villa that could be restored, possibly building a second floor or transforming into a barbecue area with a swimming pool. The plot is currently full of fruit trees, aromatic herbs, and legumes that could be kept. It has two parking spaces and a total area of 690 m2.
