Plot intended for housing construction

Plot with architectural projects and specialties approved for the construction of a luxury single-family house, with garage and swimming pool, developed on 2 floors, with an implantation area of 128.40m2 and a gross construction area of 250m2. Privileged location, in an area of strong urban expansion, predominantly residential, which combines, in its vicinity, a wide range of services and urban equipment, as well as leisure areas and green spaces.
