This 9,732 m² plot of land in Betunes, Loulé, presents a rare chance to create a residential project in one of the Algarve's most desirable areas. The approved project allows for the construction of nine villas, each around 240 m². This plot offers a peaceful setting with beautiful views, just minutes from the center of Loulé. The land is spacious, providing ample room for the construction of nine homes or a large single-family residence. The approved project is designed to maximize the use of space, ensuring each home is bright and comfortable. The location ensures privacy and a serene living environment, making it an ideal place to build. This plot is conveniently located near Loulé's amenities, including schools, supermarkets, and health centers. The beaches and golf courses of the Algarve are also within easy reach, making it a great spot for those who appreciate both convenience and relaxation. This is an excellent opportunity for anyone looking to invest in a growing area of the Algarve. Whether you're planning to build homes for sale or a personal residence, this plot offers great pot...
