3 Bedroom Villa + 2 Bedroom Annex Overlooking the Sea - Calheta

Ultra modern villa + annex in final phase of construction. Villa built on a plot with an area of 1590m2, located in Calheta. For being located on a secondary road, makes it a quiet area with greater privacy, sea line with unique views and a beautiful sunset. Besides the spaces built thought to detail, still offers breathtaking views of the Atlantic Ocean. The project focuses on contemporary architecture, with high quality standards and energy optimization. It also has an infinity pool with colour leds, against current waves, three large bedrooms, one of the bedrooms with a mirror of water where it floats as if it were in the sea, fully equipped kitchen with island, storage, engine room, laundry, maid's flat and plenty of natural light in all its divisions. In order to promote better mobility the villa is equipped with a lift. The materials are of high quality, its construction was all made in reinforced concrete with wood lath already with its final finish. It also has a jacuzzi for 6 people with counter current pool for swimming. It has panels of electric energy for self...
