guest bathroom.

Overlooking the inner courtyard and garden, this apartment has a balcony, heating, two parking spaces and a storage room. The building, a Colmeia construction, also has two elevators.

With plenty of storage and excellent sun exposure, you can also take advantage of the excellent location, close to services, shops, the Justice Campus and several public and private schools.

Parque das Nações, Lisbon's newest parish, is the perfect place to live because of the quality of life it offers all its residents and visitors. The countless green spaces, the arrangement of art pieces throughout the Park and the unique proximity to the River Tagus make Parque das Nações the premium area that it is.
What's more, its proximity to Lisbon Airport, the various means of transport such as bus, metro and train, together with access to the Vasco da Gama Bridge and highways, make getting in and out of Parque das Nações simple and accessible for everyone.

Don't wait any longer, come and see your new home!
