Sea Straw Village » A paradise called home"

Mar da Palha is a development of excellence with 23 villas of superior quality and modern architecture.

In the city, at the door of the countryside. Near and far from everything, the 'sea of straw' is located on the border of the urban fabric of Alverca with the countryside, and is surrounded by nature allowing a healthy lifestyle for your family, while also offering the best access and an urban ecosystem.

Vera Rodrigues
