Apartment T2 DUPLEX in Estrela

AL-KANTARA BUILDING - LISBON A hidden jewel in a vibrant neighbourhood.

With typologies from studio ,to one bedroom, two bedroom and two bedroom duplex, from 290.000,00 euros.
A charming and traditional inner courtyard common to all flats is what you find as soon as you open the gates of this building. Al-Kântara is a small jewel of comfort, security and privacy in a historic neighbourhood with a promising future.

Alcântara is a traditional Lisbon neighbourhood that in recent years has benefited from a consistent renovation, both architecturally and in terms of access and commercial dynamism.
In the shadow of the iconic 25 de Abril Bridge we find the famous Docas de Alcântara with its many restaurants, the very modern CUF TEJO hospital and the most avant-garde and trendy space in the city of Lisbon, the LX Factory. But there is much more to discover and enjoy in this neighbourhood, maintaining the traditional atmosphere that characterises the wonderful city of Lisbon and its people.
It is in the centre of this dynamic and effervescent area that we find the Al-Kântara building, a brilliant project of urban rehabilitation on an old bourgeois house from the end of the 19th century, which recovers

the concept of the old Lisbon Vilas and Pátios and combines it perfectly with the modernity of the spaces and the excellence of the construction.
Restaurants, services, leisure areas, public transport and access to the main roads of the city are just a step away from this new development that aims to combine the centrality of its location with the privacy achieved by its architecture.
