This contemporary turnkey villa in Almancil (Quartos) blends sleek modern architecture with luxurious comfort, offering a seamless indoor-outdoor lifestyle. Set on a 1,064 m² plot with 571 m² of construction, the villa is ideally located close to the town centre, international schools, beaches, golf courses, and Faro airport – a prime location for convenience and lifestyle.

Spread across two levels plus a garage, the interiors are bathed in natural light thanks to floor-to-ceiling glass doors. The open-plan living and dining areas connect to a stylish fully equipped kitchen, featuring a central island and high-end finishes, creating an inviting space for entertaining and family living.

The villa offers four spacious bedrooms, each with built-in wardrobes and peaceful views. The master suite includes an en-suite bathroom and opens onto a private terrace – an ideal spot to relax in privacy. Every room is designed for comfort and functionality, with quality materi...
