Rua da Glória brings together the best of both worlds in Lisbon: it's in one of the capital's quietest streets, while at the same time being just a few metres from Avenida da Liberdade, the city's most vibrant and cosmopolitan artery, or 5 minutes from Príncipe Real, an emerging neighbourhood that today brings together much of the best shopping, dining and culture that Lisbon has to offer.
MODERNITY WITH CHARM
The interiors of the common areas preserve the grandeur of a historic past: the monumentality of the large openings in the entrance hall, the wooden staircases with rehabilitated metal railings and the generous ceiling heights make this building a real treasure.
A tribute to Lisbon's architectural heritage, adapted to the present day. A celebration of history with an exciting future.
