A fantastic opportunity to create your ideal home in one of Lagoss most desirable residential neighborhoods. Ideally positioned within walking distance of Lagos town center, the location sits perfectly between the Lagos Marina and the Boavista Golf course, offering a relaxed residential feel with excellent convenience and lifestyle options close by. Set on a quiet street, this urban plot offers 490 m² of land with the potential to build a modern home of up to 230 m². The plot comes with a fully approved project for a stylish two-level contemporary villa, featuring four bedrooms, a private pool, and a garage. As all permissions are already in place, the new owner can begin construction immediately, making the process smooth and straightforward. This is an outstanding opportunity to build a custom home or secure a quality investment in a highly sought-after Lagos location.
