We are specialists, in Real Estate we make the difference in personalized customer service, helping the client find their property of choice… and everything that involves the process…. we make dreams come true!
Full financial and legal monitoring throughout the entire process;
Financial monitoring because we are also credit intermediaries, so if you need financing you have this banking service free of charge, as well as clarification of all taxes to be paid;
Legal support so that your purchase can be carried out with complete legal certainty, without unexpected challenges, accompanying customers until the deed, clarifying all doubts and questions throughout the process;
Because we are experts in selling/buying we can help;

DS PRIVATE BASES ITS ACTIVITY ON HUMAN AND SOCIAL PRINCIPLES THAT DISTINGUISH US IN THE REAL ESTATE SECTOR:
- Integrity - always doing what is right;
- Customers - are always first;
- Commitment - in everything;
- Communication – transparent and reliable;
- Creativity – ideas and solutions suited to each business;
- Teamwork – together we achieve more;
- Have confidence – start with honesty;
- Communication – transparent and reliable;
- Success – results as people;
