Situated in the vicinity of the picturesque village of Mexilhoeira Grande, this exquisite three-bedroom villa is distinguished by the harmonious fusion between contemporary design and comfort, framed in an environment of serenity. Currently under construction, the completion of the work is scheduled for the summer 2026, ensuring a residence designed with high architectural and functional rigor, designed to respond to the demands of modern life. The property is developed on two floors, offering three large en-suite bedrooms, all of them with built-in wardrobes, ensuring privacy and convenience. The generous living room, bathed in natural light, provides a warm and sophisticated atmosphere. In addition, a versatile room is ideal for being adapted as an office, gym or additional bedroom, according to the owner's needs. The terrace, located at the top of the villa, reveals panoramic views of the surrounding Algarve landscape, and is already prepared for the installation of a jacuzzi a privileged space for moments of relaxation. Outside, the private pool, the barbecue area and the garden areas ...
