Flat with three en-suite bedrooms, 16 sq. meters balcony, storage room and three parking spaces, part of the Green Plaza development.
The new Green Plaza development in Carcavelos, on the Cascais coast, is an innovative residential project that stands out for its straight-lined architecture, simplicity and minimalism, leaving the main focus on the communal and private spaces.
At Green Plaza, every detail has been rigorously thought out to provide comfort, exclusivity, quality and beauty.
From the private gardens to the spacious interior areas, each space has the security and privacy you're looking for in a private portered building. With areas ranging from 69 sq. meters to 204 sq. meters and types ranging from 1 to 4 bedrooms, the 39 units in the private development include balconies and terraces, so you can experience the outdoors to the full.
Brimming with sunshine, the spacious interior areas of each flat are designed to make your style shine, letting in the incomparable Cascalence light. The interiors are enhanced with refined finishes, in comfortable and fully functional spaces.
At Green Plaza you'll have various leisure areas at your disposal, such as the garden, outdoor swimming pool and fully equipped multipurpose room.
Come and discover Green Plaza and admire what nature has prepared for you each new day.
Explore the neighbourhood, the green areas, the local shops, walk along the beach or just relax in the sun by the pool.
Carcavelos is an area known for its long stretches of sand suitable for numerous sports, characterised by its proximity to the capital and its easy access.
It is also an important centre for education, home to the NOVA School of Business and Economics and the NOVA Medical School.
