Set in the peaceful countryside between Moncarapacho and Santa Catarina da Fonte do Bispo, this beautifully renovated three-bedroom quinta perfectly blends Algarve authenticity with modern comfort. Fully restored in 2023, the property sits on a level, partially-fenced plot of over 5,000 m², surrounded by natural scenery and complete privacy. The renovation preserved the home's rustic character, showcasing original wooden ceilings with exposed beams and charming outdoor living areas that capture the relaxed rhythm of country life. The interior features a bright open-plan kitchen and dining area leading to a covered terrace, ideal for outdoor meals on warm summer evenings. The cosy living room opens onto sun-filled terraces, while three bedrooms and two contemporary bathrooms provide comfortable accommodation for family or guests. A versatile layout allows the house to function as a single three-bedroom residence or as two self-contained units — a two-bedroom home plus a one-bedroom apartment — each with its own entrance. Outdoors, the property offers multiple terraces and seating areas, perfect ...
