Villa - 3 Bedrooms - Prazeres

Excellent house typology 3 with swimming pool and garden located in the parish of Prazeres, in a quiet and safe place and with a good sun exposure throughout the day. This villa consists of two floors. On the first floor we have an all equipped kitchen, a dining room, a bathroom with hydromassage cabin and a living room in which there is also a bar with regional architecture. On the outside of the villa, more precisely next to the kitchen there is a laundry room. On the second floor we have three bed rooms and a bathroom, having all divisions overlooking the garden and swimming pool. On the porch that gives direct access to the interior of the villa we have a barbecue and a wood oven, in addition there is also a set of benches and a table all in solid wood of excellent quality. There are good leisure and relaxation spaces throughout the property, from its privacy gardens to the heated swimming pool. During the summer and due to the type and quality of the construction, there is no need to use air conditioning, because the house always remains at a very pleasant temperature. At t...
