Your favourite holiday destination. Separated from the beautiful sandy beach, by a beautiful garden and reduced meters from the Cascais Marina. In addition, it enjoys easy access to several golf courses, the Estoril Casino and the famous Tamariz Beach. The Time Sharing Model works by offering the right to occupy a property, such as a hotel room (this is the case, as for apartment 524 of the Hotel Vila Galé Cascais) or holiday home, for a certain period of time.This is a way to enjoy your holidays in a total, QUIET, SAFE, FLEXIBLE way, with the MOBILITY you want and with the recognized EXCELLENCE of Vila Galé Hotels. The apartment 524, of 42m2, comfortably accommodates 3 people (double beds and sofa bed), which can be enjoyed, in week 38, every year and for life, for a week. Important notes: - The only expense that the holders have to bear is the regular installment/annual maintenance fee. This rate is updated according to the Consumer Price Index.- Holders benefit from a 15% discount on accommodation and catering services in any Vila Galé Group development.- The owners also benefit from the internal exchange system that allows them, at no additional cost, to enjoy the week in another season and / or another development of the Vila Galé Group, always depending on the availability of accommodation, except in the high season - May 1 to September 30, and the week of New Year's Eve.Hotel Equipment:Currency exchangeAir conditioning in common areasCloakroomLiftGardenShopCheck-in time: 14:00 - 0:00Check-out timeWheelchair accessibleParking lotWireless InternetReception 24 hours a dayOutdoor swimming poolPlaygroundTake the opportunity to make YOUR BEST investment in this time-sharing in the full Vila Galé Cascais, with the right to VIP treatment of 4 Stars.Contact us to schedule your visit.
