This 2 bedroom townhouse is set on a picturesque and peaceful resort with extensive gardens and a communal swimming pool. Spread over 2 levels, the property has a large lounge and dining area which opens out on to a terrace, ideal for outside dining and offering fabulous views of the countryside and a distant horizon view. The fully furnished kitchen also has an outside area for barbecue. On the lower level, the two double bedrooms have both fitted wardrobes, private en-suite bathrooms and offer direct access to the gardens. Each bedroom has a dedicated walk-in closet. The property has been upgraded with a new kitchen, new bathrooms in the lower floor, new terrace and balcony floors alongside redecoration inside and outside, the pergolas and staircase wood fully treated. There is a new stepping stone path that flows from the top garden onto the garden terrace below. Further features include a carport at the entrance of the house, double glazing, electric shutters, air conditioning system installed, guest toilet on the 1st floor and a brand new heat pump for water heating.
