This beautiful villa sits on a generous 3,880m² plot and offers spacious living both inside and out. The large lounge and dining area features a log-burning fireplace at one end and patio doors that open onto the terrace and entertaining space overlooking the garden and pool. Also on the ground floor are three bedrooms, including one with an en-suite bathroom, plus a family bathroom and plenty of storage throughout. The first floor is dedicated to the master suite, complete with its own en-suite bathroom, a small TV room, and direct access to the first-floor terrace. The lower level includes a multi-car garage, a large workshop and storage area, as well as a utility room. Outside, the villa is surrounded by a mature garden with distant sea views, a cobblestone driveway, and secure fencing with gated access.
