Discover this apartment located in a new residence on the first line facing the Ria Formosa. Fuseta is known for its beautiful beach, clear Caribbean-colored waters, as well as its gastronomy and authenticity. The very pleasant residence has an infinity pool overlooking the sea and pedestrian access to the path leading to the beach, located a few minutes away. Located on the ground floor, it consists of an entrance hall, a modern kitchen with a central island for meals, open to the living room. The latter gives access to the semi-covered terrace, where you can have your meals or relax while enjoying the beautiful view. The master bedroom, en suite with a walk-in closet, also has access to the terrace. The second bedroom and the common bathroom are located on the street side. A laundry room equipped with a washing machine, a hot water tank, and storage spaces is also available. A private parking space and a closed storage room are available in the basement, accesible with a lift. Reversible air conditioning, underfloor heating, solar hot water, double glazing with thermal insulation, and...
