Malveira da Serra – Family Comfort in a Prestigious Natural Setting

Located on the prestigious Caminho do Uruguai, this renovated traditional villa sits on a 1,206 m² plot. With 275 m² of built area, it offers five bedrooms – including a master suite with walk-in closet – four bathrooms, living room, and a spacious open kitchen.

The layout makes the most of natural light and opens to the outdoors, where the garden and private water borehole enhance both autonomy and connection to nature.

Just minutes from Cascais and Guincho Beach, with schools, shops and services nearby, this property combines peace and convenience in a setting of rare beauty.
