An exceptional opportunity to acquire a unique property in Vale del Rei, just minutes from the renowned Praia da Marinha, widely regarded as one of the most beautiful beaches in Europe. Set within the peaceful Algarve countryside yet close to the coastline's cliffs and turquoise waters, this offering combines privacy and prime location. The sale includes three distinct plots: a rustic plot with 19,160 m², a mixed plot with 16,350 m² where an approved architectural project is in place, and an additional urban plot measuring 534 m². Together, these parcels create a substantial landholding with exceptional potential, ensuring privacy and long-term value in one of the Algarve's most desirable areas. The mixed plot benefits from full project approval for the construction of a villa designed to blend harmoniously with its natural surroundings. The villa features 299 m² of build area complemented by a spacious 171 m² basement, offering versatile. The project also includes a private swimming pool and generous terraces, designed to maximize outdoor living and the Algarve's year-round sunshine. Locate...
