HOME2438V

Discover this perfectly located property offering a blend of comfort, space, and modern living. Originally constructed in 1991 and totaly renovated in 2005 with special attention to the water, and electric installations and insulation in the roof. More recently with double glazing, new bathrooms, underfloor heating in both bathrooms, and solar water system this home combines comfortable practicality with Mediterranean charm.

Outdoor Features
Steps lead down from the main house to a sparkling chlorine swimming pool, surrounded by paved terracing and a covered BBQ area — perfect for entertaining friends and family.
The mature garden benefits from automatic irrigation for ornamental trees and shrubs, while the remaining land features natural landscaping with several olive trees.
A shared borehole (new borehole pump installed summer 2025) - (shared with two neighboring homes, each with individual meters), ensuring a sustainable and cost-effective water source. Also hosting large private water storage tanque .
Entrance is via an electric gate opening into a charming cobblestone forecourt, offering both privacy and curb appeal.

Location & Lifestyle
This home provides the ideal balance of countryside tranquillity and modern convenience. The double glazing ensures year-round comfort, while the underfloor heating adds a touch of luxury in cooler months.
