AL-KANTARA ENTERPRISE

A GEM HIDDEN IN A MOVING NEIGHBORHOOD.Alcântara is one of the most traditional neighborhoods in Lisbon. In the shadow of the iconic 25 de Abril Bridge, and the famous Docas with its many restaurants in the Marina de Santo Amaro, the young and alternative entertainment of LX Factory was born, Supermarkets, services, public transport and access to the city's main roads. also abundant in the region, with large urban projects, of high quality, for all surroundings.It is in the center of this effervescent dynamic that the Al-Kântara building is born, in a brilliant urban rehabilitation project on an old bourgeois house from the end of the 19th century. With types of T0, T1, T2 and T2 Duplex, and parking in an interior courtyard, the Al-Kântara building is a small jewel of comfort, security and privacy in a highly dynamic neighborhood with a promising future.
