VILLA IN PRIVATE CONDOMINIUM - OVERLOOKING THE DOURO RIVER AND THE CITY OF PORTO

EXCLUSIVE IS TO HAVE A UNIQUE VIEW OVER THE RIVER AND FOZ DO DOUROOverlooking the mouth of the Douro River, this private condominium, with 270,000 m2, endowed with extensive green areas, was developed in order to meet the unique image of Quinta Marques Gomes, through materials and techniques adopted in line with the green spaces and all the surrounding landscape.Ensuring high standards of constructive quality and environmental and energy sustainability, Villas Quinta Marques Gomes are the perfect option to live, while enjoying the harmonious landscape over the Douro River and the city of Porto.All Villas have been designed with vegetable coverings, shrub hedges and exterior paints with carefully selected organic shades in order to harmonize and minimize the visual impact of the buildings.The architectural projects developed for the villas take into account the satisfaction of the highest levels of demand and well-being. The priority is to offer differentiated and innovative solutions, with a minimum of visual density, providing a practical experience adapted to the new paradigms of modern housing. Here, various architectural design options will be put to your consideration, which will be customized and adapted to your needs. All equal in concept, but different in needs.Imagine meeting yourself living in an unspoiled nature, a UNESCO heritage site, and enjoying unique views of the Atlantic Ocean, the Douro River and the city of Porto, with the tranquility that your life deserves.Eligible for the residency program by investment in Portugal.
