Small Farm in the Alentejo Neighborhood, in the area of Quinta do Anjo, in Palmela!This charming property offers an authentic and serene lifestyle. With four cosy bedrooms and two bathrooms, the main house is a real home. Of particular note are the 20 solar panels, which generate energy for EDP, ensuring energy efficiency and performance. The heating system is made from pallets, providing comfort in all seasons. The expansive 13750 square meter plot is a natural paradise, with fruit trees and cork oaks adorning the landscape. With automatic gates and storage area. Its location offers easy access to major thoroughfares, ensuring convenience for those seeking tranquillity without sacrificing convenience. It is 20 minutes from Barreiro, 40 minutes from Lisbon and 30 minutes from the beaches of Costa Caparica.Living in the Alentejo Quarter provides a serene living experience, while enjoying the proximity to urban amenities and landscapes.
