Exceptional 4 Bedroom Villa in Boliqueime | Prime Value-Add Opportunity in the Algarve

Situated in one of Boliqueime's established residential areas, this detached 4 bedroom villa presents a rare opportunity to secure a substantial Algarve home with outstanding upside potential.

Perfectly liveable as it is, the property offers approximately 198m² of living space, a garage, outdoor entertaining areas and Energy Rating A credentials. For buyers with vision, thoughtful modernisation could transform this into a standout residence comparable to homes commanding €1 million to €1.2 million in today's market.

With scope for a swimming pool and enhancement of the existing outdoor kitchen area, this is an exceptional lifestyle and investment opp
