This exceptional contemporary villa, set on an elevated 2.430m² plot in Quinta do Lago, offers ultimate luxury, privacy, and bold architectural design. Spread over three levels plus a rooftop terrace, it features premium finishes, stylish interiors, and advanced smart home technology—including facial recognition entry.

The light-filled lower level offers a spa with an indoor pool, massage room, sauna, steam room, and high-tech gym. A home cinema, a champagne bar, a wine room, a guest suite, and a garage with a turning plate add to the luxury. A separate studio apartment with a kitchenette and bedroom suite is accessed externally.
