Building with 6 apartments in the historic center of Sintra

This old building with 6 one-bedroom apartments, located in the prime area of Sintra, offers an excellent investment opportunity whether for tourist exploration or long-term rental.It is situated less than a five-minute walk from Paço da Vila (historic center) and 10 minutes from Sintra train station.It maintains the old architectural design, with solid wood doors and shutters painted white; electrical installations, water, sewage, TV network and air conditioning installation are recent.
