BRAND NEW CONTEMPORARY VILLA

Positioned on an elevated plot within the prestigious Vale do Lobo resort, this five-bedroom contemporary villa, currently under construction, delivers a bold architectural vision fused with privacy, sophistication, and seamless indoor-outdoor living.

Set against a backdrop of mature pine trees, the villa's clean lines, sculptural geometry, and expansive glass façades create a striking modern profile. A dramatic floating walkway set over a reflective water feature forms a statement entrance, offering a tranquil transition into the home's refined interiors.

The main living areas are open-plan and light-filled, connecting gracefully to expansive terraces and a sleek infinity pool that takes full advantage of the natural setting. The bespoke Arclinea kitchen features premium finishes and integrated Miele & Wolf appliances, complementing the overall minimalist aesthetic. Five elegant bedroom suites, each with walk-in wardrobes, are positioned to maximise privacy and views, with natural materials and soft tones creating a calming atmosphere throughout.

A flexible lower-ground level includes a multi-purpose space, ideal for a cinema room, games lounge or private wellness studio, and a rooftop swimming pool with panoramic views. Surrounded by curated landscaping and just moments from championship golf courses, golden beaches, and fine dining, this property embodies contemporary Algarve living at its most refined.
