3 bedroom apartment in Parque das Nações North

Fantastic 3-bedroom apartment located in Parque das Nações Norte.

This property comprises a generous entrance hall, a living room with fireplace, an equipped kitchen and three bedrooms, one of which is en-suite, as well as three bathrooms, one of which is for the bedrooms and the other a guest bathroom.

Overlooking the inner courtyard and garden, this apartment has a balcony, heating, two parking spaces and a storage room. The building, a Colmeia construction, also has two elevators.

With plenty of storage and excellent sun exposure, you can also take advantage of the excellent location, close to services, shops, the Justice Campus and several public and private schools.

Parque das Nações, Lisbon's newest parish, is the perfect place to live because of the quality of life it offers all its residents and visitors. The countless green spaces, the arrangement of art pieces throughout the Park and the unique proximity to the River Tagus make Parque das Nações the premium area that it is.
