MODERN VILLA WITH RIA FORMOSA VIEWS

Set on the frontline of a protected green zone beside the scenic boardwalk of the Ria Formosa Nature Reserve, this striking villa blends contemporary sophistication with natural serenity.

Designed for modern living, the open-plan kitchen, dining, and lounge areas flow seamlessly, framed by floor-to-ceiling windows that open to a south-facing terrace and pool overlooking the forest. Clean architectural lines, neutral high-quality finishes, and captivating views define the home.

A sculptural spiral staircase connects all three levels, with a second set leading to a private roof terrace offering panoramic views of the Ria Formosa, Quinta do Lago’s bridge, dunes, and the sea, perfect for sunset gatherings.

There are five generous bedroom suites, each with built-in wardrobes and abundant natural light. The principal suite opens to a sunny terrace and features a walk-in wardrobe, electric blinds, and a spa-inspired ensuite with double vanity, walk-in shower, and soaking tub.

A shaded terrace on the same level is perfect for a morning workout or peaceful retreat. A sixth room, currently a playroom, sits beside a full shower room/guest WC and could serve as an office or extra bedroom.

The lower level includes a relaxed TV lounge and games area, an ensuite bedroom, laundry, and storage, each space bright with natural light.

Direct access to nature trails and the boardwalk, paired with protected, uninterrupted views, makes this an exceptional residence where modern living meets the beauty of the Algarve.
