Plot intended for housing construction

Plot integrated in the Bairro do Loreto development, intended for the construction of a luxury single-family house, with an implantation area of 140.75m2 and a gross construction area of 298.25m2.There is also the possibility of acquiring the architectural projects and specialities already approved, with a license for a fee, with a view to the construction of a modern design house, with elegant lines, which translate the good taste and refinement that characterises this development.Located in a mostly residential area, at the gates of the Historic Center of the City of Ponta Delgada, which enjoys the typical calm of the periphery. It is a unique opportunity for those who want to enjoy the best of life in this city by the sea.
