950 000 € | Ref. Luz Plot 11Q | Lagos

0	✖	400 sqm	2400 sqm	✖

Just ten minutes from Lagos, these premium oceanfront plots near Praia da Luz present an unparalleled opportunity to create your dream home. Set in an elevated, south-facing location, each plot is designed to maximise panoramic views of the Atlantic Ocean, making them perfect for those seeking luxury coastal living. Ranging from 1,450 to 2,950 m², these plots provide ample space for a custom-built villa, offering the flexibility to design a home tailored to your lifestyle needs. With fewer building restrictions than many other areas, you'll have the freedom to bring your vision to life. Conveniently located near Praia da Luz, these plots offer easy access to stunning beaches, vibrant dining options, and essential amenities. With nearby golf courses, schools, and medical facilities, this opportunity seamlessly combines breathtaking natural surroundings with modern conveniences. Arrange a viewing today to explore these exceptional plots. * The feature(s)/equipment(s) mentioned in this description are subject to verification and agreement between the vendors and buyers.
