4 bedroom villa finished 35 minutes from Lisbon

Palmela Green Residences - The Center of Your LifeThis new and exclusive real estate development in Setúbal, Palmela Green Residences, is an invitation to a lifestyle that harmoniously combines nature, the sea and the city. With 4 bedroom semi-detached houses currently in the completion phase of construction and finishes, this condominium offers an environment that will allow you to enjoy the unique landscape of Serra da Arrábida, enjoy the proximity of the sea and its beaches, explore the rich local gastronomy and history, and all this just 40 km from Lisbon.Palmela Green Residences puts everything you need on your doorstep for a healthy and cosmopolitan life. With green spaces, beaches, tourist attractions, convenient access, transport, infrastructure, commerce and services nearby, this is the opportunity to live in a balanced way.The villas are true masterpieces of modern architecture, designed to provide a unique lifestyle, with comfort and efficiency in mind. The refined finishes and well-kept exterior spaces make each residence a jewel.The concern with energy efficiency is evident, with the use of the Light Steel Frame (LSF) construction method, high quality thermal and acoustic insulation, excellent window frames, home automation systems and temperature control. That means your home is future-proof.In addition, each plot offers an outdoor space with an exclusive garden, where you can enjoy nature and tranquillity. The proximity, just 5 minutes away, to one of the main international schools, Saint Peter's School, is one of the many advantages for families who choose this location.If this description has made you dream of the possibility of living in Palmela Green Residences, do not hesitate to contact us. We will be happy to provide you with more information, schedule a visit and help you make an important decision for your future. At EXCLUSIVE Lisbon, we treat all our clients as very special guests and offer an exclusive real estate investment and hospitality service. Join
