5 bedroom villa with pool by the sea.

5 bedroom villa with pool by the sea, where good taste, quality and design come together to create a unique home.

In addition to the breathtaking sea views, this villa offers bright, fresh air, as described by the designer and owner of the property herself.

The owner, an internationally recognized stylist and interior decorator with projects in São Paulo (“Maison Alexandrine”), Los Angeles and the Middle East, was responsible for choosing the finishes, design and decoration (the property was photographed and published in Harper's Bazaar magazine: https://harpersbazaar.uol.com.br/estilo-de-vida/a-fashionable-life-alexandra-fructuoso).

With 5 bedrooms (2 suites), 4 bathrooms, living room, kitchen, swimming pool, terrace, balconies, basement with built-in cupboards, laundry area and garage for 3 cars, this property is truly unique.
It has modern, elegant decor in light tones, conveying a sense of serenity and well-being. Spacious living room with direct connection to the huge terrace with swimming pool with frontal sea views (50m away).

On the ground floor, there's a cozy and functional suite, ideal for visitors or for giving family members more privacy, plus a guest bathroom.
The kitchen is modern, bright and functional, with a connection to the living room, facilitating interaction.

Second floor with two more bright bedrooms, a full bathroom and a suite with a large private terrace offering panoramic sea views. On the upper floor, there is a second terrace, providing additional space to relax and contemplate the ocean.

In the basement of the villa there is an additional bedroom with direct access to the pool terrace, a bathroom, a laundry area, storage and a spacious garage.

If you're looking for the perfect balance between comfort, luxury finishes, design and a privileged location, this villa is the ideal choice.
