Beautifull 20th century house for sale, minutes from train station

This wonderful palace, built in the mid-1930s, is available for sale, currently converted into a senior home, with an inherent commercial license that can be changed to another commercial branch.

Located on a charming street in Paço de Arcos, the entrance has a generous area with ample access to the second floor and the ground floor, where we currently have 15 rooms available.

Outside there is a large and beautiful garden with 2 parking areas for 5 cars.

With a premium location, this beautiful palace is just a few minutes from the CP station in Oeiras, 15 minutes from the center of Lisbon and 5 minutes from two excellent hotels. It is 20 minutes away from Lisbon's main tourist attractions as well as Cascais and Estoril.
