Fully Equipped Studio in Campolide

The new Infinity project, located in Campolide, is a private condominium, suitable for those who want a healthy lifestyle and with all the services that provide a fantastic quality of life.

The grandeur of the building itself offers extraordinary views from the top and from the apartments over the green area of Monsanto Park and the River Tagus. The project offers 3 different housing concepts: Nature, River & City

Flats and is made up of 26 floors and 195 apartments ranging from studio apartments to 6-bedroom duplexes, characterized by excellent finishes, spacious balconies and terraces that provide fantastic light in the apartment areas. All units benefit from dedicated parking and storage.

The Campolide metro station is under construction, so there will soon be a metro at the door.

The Infinity has a concierge service, staffed by professionals who are always available to attend to your needs: services, events, reception of guests and much more. There is also a health club, gym, indoor pool (170 m2), outdoor rooftop pool (168 m2), sauna, Turkish bath, concierge service and 24-hour security, meeting rooms (if you work remotely and need to hold meetings with your clients), communal social room, garden and paddle tennis court.

The apartment is a studio with a balcony and a total area of 50 m2.
A fully equipped, extremely bright home with a spacious balcony, garage parking ((with electric charging station) and you can enjoy all the amenities mentioned: health club, gym, indoor pool, outdoor pool, sauna, Turkish bath, concierge service and 24-hour security, meeting rooms (if you work remotely and need to hold meetings with your clients), common socializing room, garden and paddle tennis court.
