With unique surroundings, just meters from Cascais Bay, the former Oxford Cinema is ‘reborn’ as a modern, luxury development, designed with a vision of incomparable comfort and tranquillity.

Every detail has been planned and developed to incorporate sustainable practices and technologies in order to exceed all modern standards of ecological construction.

With bright, open spaces, ‘To Live’ consists of 30 units (including two penthouses and two shops) with generous areas, ranging from 142 to 337 sqm.

The flat types range from 2 to 4 bedrooms and as well as offering spacious interiors, there are also 1439 sqm. of communal areas, namely:

-Lounge and reception; Indoor pool and Jacuzzi; Dry and wet saunas; Gym; Massage room; Bicycle parking room with electric charger; Pet care; E-commerce room; Exclusive rooftop with communal pool, gourmet area and sea view.

The privileged location is one of its great advantages: stunning beaches, picturesque landscapes, panoramic cycle paths.

With the main access roads within easy reach, it guarantees access to renowned schools and neighbor towns, thus combining the tranquillity of Cascais with the effervescence of the nearby metropolises.

End of construction: 1 st. quarter of 2026
